# **SIMPLY** WASHROOMS

We recognise that the success of our business can only be achieved through a partnership, not only with our clients but also with all our people working together. Everyone involved in Simply Washrooms shares a common goal in delivering excellence in service.

## We actively encourage all staff to

- Spend time with our clients.
- Use their initiative.
- Be aware of health and safety.
- Advance their personal development.
- Enjoy their work, have fun and feel appreciated.

## Reasons to consider **Simply** Washrooms

### **Our priorities**

- To listen to and understand clients specific needs.
- To customise our service so clients benefit from a solution which is personal, efficient and cost effective.
- Service is our business. Unlike many of our competitors, we do what we say we will do when we say we will do it.

### **Our Policy**

- Simply Washrooms has an active policy to perform in a caring and responsible manner with regards to the environment.
- We incinerate all sanitary waste, conforming with the Environment Agency's best practice.
- All waste is directly transported to the point of disposal, reducing handling and the associated risks involved.
- We use an environmentally friendly bio degradable enzyme in our units and use eco-friendly products whenever possible.

### **Our Action**

- Simply Washrooms disposes of hygiene/clinical waste using the very latest technology. This results in minimal emissions to the atmosphere, protection of the ozone layer and a reduction in global warming.
- We are committed to maximising our work load and minimising fuel consumption, therefore reducing our carbon footprint.
